

## Choose You This Day

1. *The morning stars sang together;  
We shouted for joy.  
We each have the chance  
As part of the plan  
To seek light, follow His word.*
2. *The saints were beckoned to gather;  
Cross oceans and plains.  
What caused them to go?  
What helped them to know?  
Faith in Christ, trust in His name.*
3. *The youth of this generation;  
Dear, children of God.  
Prepare with your might,  
To reach for His light,  
To embrace your God of love.*

## Chorus

*Choose you this day  
Whom ye will serve  
But for me and my house  
We will serve the Lord.*
